Education

PES University, Bengaluru

B.Tech in Computer Science (Artificial Intelligence & Machine Learning)

2023 – 2027

CGPA: 8.34/10

Relevant Coursework: Data Structures & Algorithms, DBMS, Operating Systems, Object Oriented Programming, Machine Learning.

Projects

InterviewIQ — Resume-Aware AI Technical Interview Agent

Ongoing

React Node.js Express.js MongoDB Gemini API JWT

- Developing a full-stack AI interview agent that conducts company-specific technical interviews by analysing uploaded resumes.
- Designed a resume-aware interview pipeline that extracts candidate skills, projects and experience to generate personalised interview plans.
- Engineering an adaptive questioning engine using conversational memory and dynamic prompt orchestration to generate context-aware follow-up questions.
- Building authentication, resume parsing, interview history and competency-wise feedback dashboards.

ForeSight — Machine Learning Demand Forecasting Platform

Python Streamlit Random Forest ARIMA

- Built an end-to-end forecasting platform using Random Forest and ARIMA models for demand prediction.
- Implemented preprocessing, feature engineering, rolling cross-validation and interactive dashboards.
- Enabled dataset upload, model comparison and exportable forecasting reports.

Football Performance Analysis using Explainable AI

Python SHAP LIME Scikit-learn

- Developed machine learning models to predict football performance.
- Applied SHAP and LIME to interpret predictions and visualise feature importance.

Technical Skills

Languages: C++, Python, JavaScript, C, HTML, CSS

Frameworks: React.js, Node.js, Express.js, Streamlit, Scikit-learn, Pandas, NumPy

Databases: MongoDB, MySQL

Core CS: Data Structures & Algorithms, DBMS, Operating Systems, OOP

Tools: Git, GitHub, Postman, VS Code

Achievements

- Solved 150+ LeetCode problems across Arrays, Graphs, Dynamic Programming, Linked Lists, Binary Search and more.
- Built multiple machine learning and full-stack software projects.

Certifications

- Machine Learning Specialization — Andrew Ng (Coursera)
